# Ninety years of beauty at 30th annual show

**BEAUTIFUL INSIDE AND OUT** - Crowds of Elk Point Auto Club Show and Shine visitors checked out all the details of the 56 entries lined up along Main Street, Elk Point for Saturday's 30th annual show.

**JANANI WHITFIELD**  
Review Staff

For car and truck lovers, Elk Point was the place to be on Saturday afternoon, as the main street was filled with gleaming vehicles that took people through 90 years of auto evolution, from a 1926 Model T to the 21st century's sports cars.

People milling the street got to take a close look at about 56 entries at Elk Point Auto Club's annual Show and Shine, with a few Elk Point Auto Club vehicles also available for viewing at this year's 30th anniversary of the event.

"People love to show their beauties," said club member Bonnie Smyl, explaining why people traveled from as far as Bonnyville and Wainwright to closer to home, St. Paul and Elk Point, to take part in the show.

"A lot of people relate to the cars," added fellow member Henry Botting, saying he had overheard one person coming out to the car show looking at one vehicle and recalling her first boyfriend had a car just like it. "(It's) memories."

Smyl agrees, saying she recently picked out a vehicle for her husband that was just like the one he drove when they first started dating, 40 years ago.

"That was his Valentine's present - and I'll say it was his anniversary too."

Ed Smith, president of the club, said the weather was just what the club ordered for the day, with a day he was pleased to see unfold.

# Tigers outrun the wind - and seven-time champions

The kids may have been small, but their spirits were mighty and they proved they could run like the wind at Onchaminahos School's annual Windrunners race on Friday.

Pushing through wind and drizzle, Elk Point Elementary School's team of Rylee Warawa, Gunner Crawford, Vaughn Ockerman, Kade Fontaine and Cash Capjack pulled off an upset, edging out seven-time reigning champ St. Paul Elementary to lay claim to the Windrunners' trophy.

"Awesome! It feels amazing," said a jubilant Cash Capjack, once he recovered his breath.

"We came here for a reason," added Konnor Poitras, of Elk Point Elementary's second team, who also wore an ear-to-ear grin.

Teams of five, made up of Grade 4 and 5 students, each tackled a kilometer of the race leading to the finish line

at Onchaminahos School, with students from Onchaminahos, St. Paul Elementary, Glen Avon, New Mynam, Frog Lake, Vilna and Elk Point all competing.

Onchaminahos' athletic director Jayme Fougere welcomed everyone to the school, noting the school has been hosting the event for the past 13 years.

"It's really nice to have you all back here today," he said, introducing the Onchaminahos children who said a Cree prayer and sang O Canada in Cree. After some brief stretches, the kids headed outside and took their places along the route, batons in hand and streaking down the gravel road at the sound of the word "Go!"

Capjack and his next closest competitor Kaitlyn Foote of SPECS were handed their batons within seconds of each other and were neck-in-neck for most of the last leg. When Cash came within sight of the finish line, he gave it all he had to pull away.

**VICTORS** - The winning Elk Point team included (front row, left to right): Vaughn Ockerman, Cash Capjack, Kade Fontaine, Gunner Crawford and Rylee Warawa, while principal Rob MacDonald (back left) and coach Christie Roche cheered them on. Two alternates and the second Elk Point team included Ella Ballas, Gavin Kadutski, Nicholas Penner, Konnor Poitras, Matthew Zacharuk, Peyton Skolarchuk and Spencer Malachowski.

St. Paul District 4-H hosted their annual Invitational Heifer Show at Goodridge on Sunday, May 28, with members from the Boscombe, Elk Point, St. Paul, Holden, Bonnyville and Tofield clubs joining the Goodridge Beef Club to display their project females to conformation judge Dwayne Durie and showmanship and grooming judge Jayelle Demers.

The Grooming competition saw Heidi Tymko, Elk Point, place first and Shelby Lynn Bailey of Boscombe second in the Senior division, Elk Point sisters Kailey and Lexi Wirsta first and second respectively in the Intermediate group, and Emily Yaremko, St. Paul, first and Allie Behiels of Tofield, second in the Juniors. Prizes for grooming were sponsored by Goodridge Social Ag Society, J. P. and Rhea Dechaine and DART Simmental.

Members from all three groups were called to the

ring for a brief lesson on judging by Durie, and then had the opportunity to judge a field of four females and state their reasons for the placings they gave each. Heidi Tymko placed first and Hailey Dechaine of Boscombe second in the Senior Judging, sponsored by Scott's Backhoe and Oilfield Service Ltd., Kailey Wirsta first and Kyle Yaremko of St. Paul second in the Intermediate section sponsored by Real Honey Ltd., and Emily Yaremko of St. Paul first and Quinton Albrecht of Holden second for the Northpark Collision and Frame prizes in the Junior division.

Conformation judge Dwayne Durie's top picks from three groups, shown by Lexi Wirsta, Heidi Tymko, Kailey Wirsta, Mattie Janz of Bonnyville, Shelby Lynn Bailey and Goodridge member Tristan Jacula, were brought back to the ring for the final judging of Yearling Heifers, The Crestview Angus award for Champion Yearling went to Lexi Wirsta, while the

reserve championship, sponsored by T. J. Spur, went to Heidi Tymko.

Lexi Wirsta showed the champion in the Two Year Old Cow with Calf class, to win the Wes' Bin Moving prize, Brooke Dechaine taking home the reserve award from Silver Knight Angus.

Boscombe's Dechaine family swept the Three Year Old Cow with Calf category, Hailey accepting the Laurence Kwiatkowski Ent. Ltd. prize for her champion and Brooke taking home the reserve prize from Agland.

As the only 4-Her to show both two-year-old and three-year-old cow/calf pairs plus a yearling, Brooke Dechaine also received the Ric Roc Cattle Ltd. award from Champion Herd.

The champions and reserve champions from all three of those classes returned to the ring for the final round of judging. Hailey Dechaine's three -year-old Simmental cow with calf was chosen as Supreme Champion, winning the BOS Oilfield Services Ltd. banner and a cash prize from K Cow Ranch, with Lexi Wirsta's two-year-old Charolais cow with calf winning the Rocky Red Angus banner and a cash prize from Fontaine "Carel" Farms.

"I'm just beyond proud of them," she said at the end of the race, as everyone headed in to enjoy lunch together. "I'm just like a proud mom when I see them out here running. They've exceeded my expectations – they're a wonderful group."

More information is available on the upcoming Canada Day celebrations on elkpoint.ca. Find the Canada Day tab under Visitors in the main menu.

One highlight of this year's event is the school tour reunion. F. G. Miller will be open from 1 to 3 p.m. with yearbooks and memorabilia available for people to peruse. We ask that classes organize their own rendezvous during that time. There will be a photographer on site to take pictures of old friends and reunited grad classes on the front steps from 1 to 3 p.m.

The day will also feature illusionist Craig T in two shows, 12:30 and 4:15 p.m.. In between his performances will be a really fun duo, the Camp Fire Kings. This is a by request band that will do on demand song request. They have a huge array of music and really anything you can think of.

The bouncy houses and kids' games will be open from 12 Noon to 5 p.m. We are still looking for people to help work those areas. It's a paying gig, call or text 780-207-5898.

Food vendors are welcome as well as business vendors at no charge.

**REMINDER:** MSI Community Enhancement Grant Funding applications are due by June 15th at 12 Noon, at the Town of Elk Point Office, Box 448 Elk Point, T0A 1A0 or in person 4914 50 Ave. The Town office is open from 8:30 a.m. to 12:00 Noon, closed at lunch, then open again 1:30 p.m. to 4:30 p.m. Late applications will NOT be considered. Please keep that in mind if you are mailing your application. The deadline of JUNE 15th at 12 NOON is strict.

## WAY BACK WHEN...

# Memorial slowpitch, track record, 4-H champions

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF JUNE 5 IN...

### 1987

Just over a year after her passing from cancer, avid sports fan Jan Frisby was remembered with the first annual Jan Frisby Memorial Slowpitch Tournament was held at Whitney Lake, with Jan's mother, Jeannette, throwing the opening pitch of the 14-team tourney. Elk Point Elementary School won the elementary track and field County Coup for the twelfth consecutive years, with Loren Kozicky, Conway Roscoe, Melanie Ference, Kara Serniak and Bev Hillebrand winning high point medals for their age groups.

### 1992

First-year 4-H member Clayton Maksymec showed the Grand Champion steer and the Reserve Champion heifer at the Elk Point 4-H Achievement Day, where Robyn Danyluk showed the Grand and Supreme Champion heifer and cow-calf pair, Tim Havener the reserve champion cow-calf pair and Jason Pankiw the reserve champion steer. Lily Thomson showed the Heinsburg 4-H Grand Champion steer, with the reserve shown by David Skolarchuk.

### 1997

Colin Ference showed the Grand Champion 4-H steer at the Elk Point 4-H Achievement Day, with George Danyluk showing the Reserve Champion, Taralee Babenek the Supreme Champion female for her cow-calf pair and her brother James the Reserve Champion for his yearling heifer, which was the champion in that class. Heinsburg said farewell to the Class of 1997, with valedictorian Melissa Krider likening life to a mountain range, and noting, "Today is one of the peaks."

### 2002

Jessica Wirsta and Danielle Wruth showed the

Elk Point 4-H grand champion steer and supreme champion female, with Marvin Ockerman showing the reserve champion steer and Nichole Havener the reserve champion female. Northern Lights Library System chairman Don Gulayec cut the ribbon to officially open the system's new headquarters, with Mayor Parrish Tung, MLA Ray Danyluk and County of St. Paul Coun. Sharil Baumgardner sharing the spotlight.

### 2007

A very proud Tyler Ockerman showed the 2007 Elk Point 4-H Grand Champion steer, while his sister Robyn showed the Reserve Champion and Janice Tymofichuk won the first-ever Fans' Choice award. The Town of Elk Point's mill rate dropped, and so would taxes for most property owners, depending on assessment.

### 2012

A big black-and-white steer shown by Kailey Wirsta received the slap of approval from conformation judge Karen Brown at Friday's Elk Point 4-H Multi Club Achievement Day, while Taylor Robbie's black steer was named reserve champion.

**SHEEP SHOW CHAMPION** - After carefully scrutinizing all 11 lambs, judge Erin Yaremko declared Carson Vogel's lamb the Grand Champion.

## MLA delivers grants to assist three local groups

MLA Dave Hanson handed out a number of CFEP and CIP grants on Friday, including three in Elk Point. At left, Marjorie Scott and Leona Durocher of the Heinsburg Community Club accept a cheque for \$3,281 from MLA Dave Hanson. The money will be used to replace windows in the seniors hall portion of the organization's facility.

Sue Campbell of the Elk Point Regional Allied Arts Society accepted a cheque for \$24,021 from MLA Dave Hanson. The money will be used to replace lights and install LED lighting at the society's facility, in hopes of reducing utility costs.

Friends of the Elk Point Municipal Library chair Sherry Milholland accepts a cheque for \$11,760 from MLA Dave Hanson. Also pictured is library manager Daphne Schnurer. The money will be used to upgrade the library's furnace, air conditioning and water heater. The upgrades should also result in lower utility costs.

## Subscription draw winner announced

The St. Paul Journal and Elk Point Review have made the draw for the \$500 prize in the recent subscription promotion. The lucky winner is Simone Brousseau of Therien.

Congratulations!

## Leadership award for local student

VICKI BROOKER  
Review Staff

Lyon Cueva of Elk Point is one of two recipients of a prestigious award at École du Sommet, St. Paul. The Prix Piolet is given annually to Grade 11 students for leadership and embracing the French culture. Lyon and fellow student Kyle St. Laurent received their awards at the school's graduation ceremonies on May 27.

The students received word that they had qualified for the award from principal Yvan Beaudoin, Lyon's letter stating, "Since arriving at École du Sommet, you have shown a lot of determination to learn the French language and culture and you have given much effort to integrate into the Francophone community. Over the years, you have participated in les Jeux Francophones, le RaJe and all of the BBSV events... You have also pursued your studies with great effort and you continue to work hard to obtain your diploma. Most importantly, you are well respected by students and teachers alike and everyone who has had the pleasure of meeting you."

Last year's Prix Piolet winner, Janelle Lafreniere, presented the awards, telling Lyon his

development as a student and his dedication to learning the French language have not gone unnoticed. "That makes you an excellent leader model for other students in the school. It was not uncommon to find Lyon taking the time to support and help other students who needed help with studies and help in any way." She also noted he was always involved in hockey games against the teachers "and has always faced a good challenge."

In accepting the award, Lyon thanked the teachers for choosing him, and said, "It is an honour

that I do not take lightly and I will endeavour to continue to express my school spirit." He congratulated fellow student Kyle St. Laurent, calling him "an excellent representative of our school," and thanked his parents, noting, "They had the idea of joining École du Sommet, and it was the best decision they could have made to help my schooling. Without them, I would not have had the learning opportunities I had, and those that still stand in front of me. When I arrived in Grade 5, I did not know French and was afraid of the new. But with the help of

others and perseverance, I never let go. The help I received allowed me to embrace French culture and language."

# Puma girls' ball teams show their claws

"The female has no place in baseball," except to the degradation of the game." That was the view reported by the St. Louis Globe way back on April 11, 1886. Baby you've come a long way!! You wouldn't think that way if you had seen the way our girls' teams played this past week, they played great and won a lot of ball games.

**doug  
BASSETT**

Review Sports

This past Monday night the Bantam girls defeated Vermilion. Starting pitching for the first two innings and throwing nothing but strikes was Katelyn Boratynec. After her two innings, then Chyanne Fisher took over for two innings and did the same, Tenille Ballas pitching for one inning, setting up the big closer for the last two innings, Pumas' Keanna Radcliffe who totally shut them down with her wicked windmill, no one could

even come close to touching her low fast ball with some great movement. Behind the plate doing the catching duties, and an awesome job of it, was the tandem of 'Raging Paige' Henderson and Erin 'Rock Star' Duffee. On first base, Georgia 'Gorgeous' Bendixen was snagging all the sharply hit balls coming her way.

The Peeewe Pumas also won this past Wednesday night... waiting on details.

The Squirt girls entered into the Vermilion tournament this past Saturday, defeating Vermilion 16 to 6 after four innings, then losing a close game to Marwayne 14 to 12, then winning their last game against Kitscoty 14 to 8. Great pitching by Chloe 'Mouse' Bendixen, Ezra Wade, Rylee 'the Rocket' Warawa and Lillyan Swedgan.

Our Mighty Mites Puma team is real-

ly coming along too; they also won this past week. 'Hurricane Kayl' Warawa was throwing straight strikes.

Sam 'the Spiderman' Rogal was lights out, striking out three in a row, sending the Mosquitoes No. 2 Sox team to the bottom of the seventh where, Cash 'Paycheque' Capjack cranked his second home run of the game to cash in the winning runs this past Tuesday night, for the Sox defeating St. Paul 12 to 8.

Another win for the Bantam boys who defeated the Pierceland Pirates Thursday night here at home. Up on the mound, getting the call to start the game, was 'Ty Cobb' Smereka hurling the ball for the Sox and doing a terrific job. 'Ty Cobb' also smacked a big double to center field. Pitching in relief, 'Hammering Hank' Rogal had some great heat and a terrific curve ball that really fooled a few guys and gave them a chair. 'Hammering Hank'

also spanked the ball a few times to get on base. Also doing middle relief, Eyan 'Batman' Ockerman. He's got great stuff too for a young fella. And coming in to close, Charlie 'Chuckles' Rogal was chucking the ball right down town and shut them down! 'Chuckles' hammered a huge triple in this one too. And playing in his first year of baseball, Zack Tchir hit a single right down the line, bringing in some runs, not bad at all for a guy just starting to play at bantam ball. And Colton 'Colt 45' Van Maarion is another one who just started and is a natural behind to plate catching. Really nice when you're the umpire and the catcher doesn't let any balls slip through to hit you!! Ouch!!

And now for the K. A. Campbell quote of the week. "I like the job I have now, but if I had my life to live over again, I'd like to have ended up a sports writer." - Richard Nixon, President of the United States at the time.

After rescheduling what would have been a grueling day for track and field in high winds and rain, athletes enjoyed glorious skies while they strived for athletic excellence at the northeast track and field zones in St. Paul on May 29.

Schools from as far and wide as Fort McMurray to Cold Lake to Vegreville would send athletes, but in the end, Glendon School, F. G. Miller and St. Paul Regional High

School would claim the 1A, 2A and 3A banners respectively, while Lloydminster Comprehensive took the 4A banner.

Winners from FGM were:  
**Discus Throw** 1 kg Junior 2. Abby Baker;  
**Javelin Throw** 700 g junior - 1. Parker Allen, 2. Brayden Fairbairn  
**1500 metre run** intermediate - 2. Christian Castle-Wasson  
**300 meter hurdles** - 1. Jaden Alaska

The top two finishers in each category headed to provincials, held this past weekend in Edmonton.

## THINGS TO CONSIDER BEFORE UPSIZING YOUR HOME

So you're thinking of movin' on up. You feel you have outgrown your current home and are looking at upsizing. Here are some things to consider before upsizing your home.

### COST

A bigger home comes with bigger costs. You need to first decide how much you can afford with your new mortgage. Not only are mortgage payments going to be higher, but property taxes are usually higher on a larger home due to the lot size being bigger. Another cost to consider is utilities. Because you are looking into more square footage your utility costs will also rise. A larger house costs more to heat, air condition and uses more water.

A larger home will likely have more rooms you will need to furnish. Maybe you have children sharing a room with a bunk bed right now. A larger home means each child will probably have their own room, and you will need to buy new beds. You may also now have

an extra guest room, sitting room or dining room to furnish.

### LOCATION

Have you considered the type of neighbourhood you would like to live in? If you have children you may want to consider a cul-de-sac versus a busy main street. What amenities are close by that are important to you? Look around for schools, parks, playgrounds and other areas for your family to spend time. Another consideration is the people living in your new neighbourhood.

### FEATURES

Make a list of all of the things you don't like about your current home and keep that list with you when you are shopping around. A list of must-haves and nice-to-haves is also good to bring along. Your new home may have many bedrooms but does it have enough bathrooms? A bigger home is great, but if it only has one bathroom that could be challenging.

A larger home also means more home maintenance. Do you have the extra time and money to keep up with the extra cleaning, fixing, and yard maintenance? A larger yard means a lot more upkeep, especially if you plan to spend more time outside.

Many new homes come without landscaping or fenced yards, and it is up to the homeowner to put up their fence and do the landscaping.

Making the decision to move to a bigger home can be exciting. It can also be a little overwhelming, and we're here to help.
